INDIAN COACHING STAFF

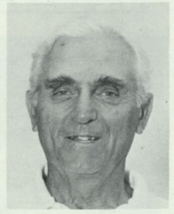
RICK GIANCOLA

RICK GIANCOLA . . . HEAD COACH

Coach Giancola is starting his fifth year as head coach of the Indians. He came to M.S.C. as an assistant coach in 1976 after serving seven years as a high school assistant at Clifford Scott in East Orange and Pequannock Twsp. As an assistant at M.S.C. he was in charge of the offensive line and the running game. In his 4 year tenure, Giancola has compiled an impressive 34-9-1 slate including a 10-2 record last year gaining the Indians their second consecutive NCAA playoff bid and fourth ever appearance. In addition, M.S.C. has won or tied for the New Jersey Athletic Conference all four years.

A 1968 graduate of Glassboro State College, Giancola played both football and baseball. He was a four year starter in football and made the All-East Coast Conference first team as a tightend. In the off season he doubles as an assistant baseball coach and has helped coach that team to the NCAA Division III College World Series five years in a row culminating with the National Championship this year.

Giancola resides in nearby Cedar Grove with his wife Judy and daughters Gina 16, and Diana, 13.

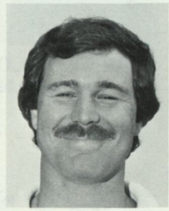


TONY NAPORANO

RICH O'CONNOR

Rich O'Connor . . . Running Back Coach

O'Connor is a 1975 graduate of the University of Bridgeport. He is entering his fifth year at M.S.C. in charge of the offensive backfield. He brings a wealth of experience to M.S.C. having been the head football coach at Immaculate Conception High School in Montclair. In addition to his backfield assignment, Rich will also assist in coordinating the special teams area. In the off-season Rich also assists with the Indians baseball team as the hitting instructor.



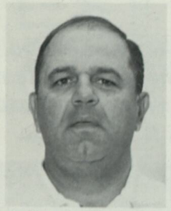
RICH BELLO

Charlie Cocuzza . . . Offensive Coordinator

Entering his 12th year, Charlie's long hours of strategic planning is one of the main reasons for M.S.C.'s explosive offense. In addition to coordinating he coaches the QB's and WR's and has developed two pro QB's and numerous pro wideouts. A 1963 Upsala graduate, he lettered in football, baseball and golf. Prior to his arrival at M.S.C., he was at Memorial High School, West New York, and coached six years at Cresskill High School.

Bill Johnson . . . Defensive Coordinator

Johnson is a 1979 graduate of Rutgers University. He began coaching at M.S.C. in 1979, coaching through the 1983 season. Following a year away from the program as a volunteer coach at Georgia Tech, Bill came back to M.S.C. and coached the outside linebackers. Because of his input, knowledge and coaching abilities, Bill will take over as the new Defensive Coordinator for the 1987 season.



CHARLIE COCUZZA

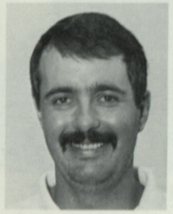
Tony Naporano . . . Head Coach Freshmen Team

Naporano came to M.S.C. after a long and very successful career as the head coach of Barringer High School in Newark. He's one of the winningest high school coaches in the state and is known as the "Dean" of city league coaching. His knowledge of coaching is so extensive that he is likened by his peers to a walking encyclopedia. Naporano makes the perfect coach for the M.S.C. freshmen. Tony is relied upon quite heavily by the entire staff for his knowledge and expertise.

ED AGRESTA

Rich Bello . . . Defensive Line Coach

A 1978 Ithaca college graduate, Rich has spent 6 years coaching in high school, the last four at Jefferson Township before becoming part of the MSC coaching staff in 1986. Last year Rich coached the offensive line where he helped mold an outstanding unit. This season he will be switched to the defensive line. A fine young coach, Rich will assist with scouting assignments.



BILL JOHNSON

Ed Agresta . . . Linebacker Coach

A new addition to the M.S.C. coaching staff, Ed comes to the Indian program with a varied coaching background. After a successful 6 year tenure at Hudson Catholic High School, Ed became head coach of St. Peter's College for three years. After completing his coaching at St. Peter's he worked at William Paterson College for a year and then Ramapo College as the Offensive Coordinator before joining the M.S.C. staff this year. Ed will coach the inside linebackers.

BOB DALY

Bob Daly . . . Defensive Back Coach

Bob is a 1985 graduate of Montclair State and a member of our football program for 3 years. After achieving All-League status, Bob has had numerous tryouts with professional teams narrowly missing making the final cut with the N.Y. Jets and N.Y. Giants. He has completed two years of playing semi-pro football with the champion Connecticut Giants and looks forward to his first college coaching assignment.

WILLIAM P. DIOGUARDI
MSC ATHLETIC LEGACY

For over half of his life, Bill Dioguardi was involved in nearly every facet of athletics. But none of his athletic endeavors were more evident than his tenure as Director of Athletics at Montclair State College, where he established a legacy that will live on forever. Dioguardi's athletic involvement started as an outstanding scholastic athlete at Kearny (N.J.) High School, moved on to the college level at Notre Dame University and was followed by outstanding careers as a coach and administrator. He was an instructor at Montclair State College for 35 years, the last 16 as the College Director of Intercollegiate Athletics.

Head Baseball Coach at Montclair State (1946-69), Dioguardi led his teams to 300 wins while losing only 139 games. In 20 of 21 seasons posted records of 500 or better.

In the matter of championships, Dioguardi teams won the New Jersey State Athletic Conference Championship in 1963, 64, 66 and 69, and in the defunct New Jersey Intercollegiate Athletic Conference his teams finished on top in 1949, 51, 53, 54 and 55.

Dioguardi became Head Baseball Coach of the Indians in 1949. He received a Bachelor of Science in Physical Education from Notre Dame (1974) and also holds a Master's Degree from the Indians College (1948).

Bill's first collegiate coaching assignment was while studying for his Master's Degree at Notre Dame (1948) when he coached the "Fighting Irish" freshmen nine.

Cited many times for his outstanding coaching, Dioguardi won "Coach of the Year" honors four times in his ten year tenure in the New Jersey State Athletic Conference.

In addition to his Baseball Coaching at MSC, Dioguardi also served as an Assistant Coach in both Football and Basketball for seven years.

Dioguardi's other coaching took place at College High School (a demonstration High School operated by Montclair State) from 1955 to 1968. As Head Coach of the school's six-man football team, Bill posted a record of 66 wins while losing 14 games. The Ponies were undefeated six times, 1955, 57, 58, 60, 65 and 67.

As College High School Football Coach, he won the Metropolitan Six Man Football Championship seven times, and the Tri-State Six Man Crown once.

He also handled the Varsity Basketball Team at College High for 13 years and had an overall record of 168 wins and 58 loses.

Under Dioguardi's direction as Athletic Director, Montclair State's Intercollegiate Program grew to 23 sports (12 men and 11 women).

The biggest development that Dioguardi accomplished in his tenure as Athletic Director took place in MSC facilities. Sprague Field has become the best small college football stadium in the East complete with a modern lighting system and a $750,000 Astroturf surface.

A major expansion of MSC's Athletic facilities on the college's campus was recently completed. Pittser Field, the Indians baseball field, was completely modernized with the installation of Major League dugouts, complete fencing of the field and the installing of stands. Other additions have been an all-weather track and field facility (named Dioguardi Field), two lighted softball fields, and a soccer field.

A graduate of Kearny (N.J.) High School, class of 1941, Dioguardi played his baseball under Coach Warren Fogerty and basketball under "Doe" Loughridge.

For 12 years, Dioguardi served as President of the New Jersey State Athletic Conference and has served on numerous National Collegiate Athletic Association Committees. He recently completed a three year tenure as Chairman of the South Atlantic Regional, NCAA Division III Basketball Committee.

A top-rated official, Dioguardi worked over 2,500 athletic contests in football and basketball as a scholastic, collegiate, and professional official.

Despite a heavy schedule, Dioguardi was extremely active in community work in Upper Montclair. Among the programs he participated in were the Red Cross Safety Program, Boy Scouts Merit Badge Counselor, the Montclair Optimist Club, and Church Organizations.
